

Certificate of Registration

Intertek

This is to certify that the quality management system of

SRC, Inc.

Main Site: 7502 Round Pond Road, North Syracuse, New York, 13212, USA

(An appendix is also a part of this certificate of registration)

has been assessed and registered by Intertek as conforming to the requirements of

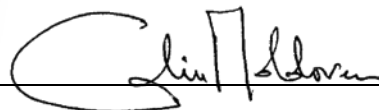

ISO 9001:2008

The quality management system is applicable to

The design, development and limited production of radar, electronic warfare, communications, and cyber systems, as well as the research and development of chemical-biological assays and integrated systems for chem-bio threat monitoring, detection and communication. The SRC Defense and Environmental Solutions division and the Intelligence and Information Systems division also provide services for their customers including analysis, studies, and pre-and post-delivery engineering and scientific support.

Certificate Number: 0027253-02
Initial Certification Date: 10 September 2009
Certificate Issue Date: 10 September 2015
Certificate Expiry Date: 09 September 2018

Calin Moldovean, President
Intertek Testing Services NA, Inc.
900 Chelmsford Street, Suite 301-3, Lowell, MA, USA

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organization maintaining their system in accordance with Intertek's requirements for systems certification. Validity may be confirmed via email at certificate.validation@intertek.com or by scanning the code to the right with a smartphone.

The certificate remains the property of Intertek, to whom it must be returned upon request.

CT-ISO 9001-2008-ANAB-EN-LT-L-26.jun.15
