

**DEFENSE FEDERAL ACQUISITION REGULATION SUPPLEMENT (DFARS) FLOWDOWN  
PROVISIONS FOR SUBCONTRACTS/PURCHASE ORDERS FOR NON-COMMERCIAL ITEMS  
UNDER A U.S. GOVERNMENT PRIME CONTRACT**

**A. INCORPORATION OF DFARS CLAUSES**

The Defense Federal Acquisition Regulation Supplement (DFARS) clauses referenced below are incorporated herein by reference, with the same force and effect as if they were given in full text, and are applicable during the performance of this Contract. When a DFARS clause uses a word or term that is defined in the DFARS, the word or term shall have the same meaning as in the definition in DFARS 202.101 in effect on the date of this Contract unless (i) a different definition is expressly set forth in this Contract; or (ii) the part, subpart, or section of the DFARS where the clause is prescribed provides a different meaning; or (iii) the word or term is defined in FAR Part 31, for use in the cost principles and procedures. If the date or substance of any of the clauses listed below is different than the date or substance of the clause actually incorporated in the Prime Contract referenced by number herein, the date or substance of the clause incorporated by said Prime Contract shall apply instead. As applicable to this Contract, "Contractor" means "SELLER", "Contracting Officer" and "Government" means "SRC". The Contracts Disputes Act of 1978, as amended, shall have no application to this Contract, and nothing in these General Provisions, except as may be expressly set forth by the Government Contracting Officer's express consent, grants Seller any direct right of action against the United States Government under the prime contract. Any reference to "Disputes" clause shall mean the "Disputes/Jury Waiver" clause contained in SRC's TC 3. The SELLER shall include in each lower subcontract the appropriate flow-down clauses as required by the FAR and DFARS. If a clause is not applicable to this Contract, such clause is self-deleting.

**B. GOVERNMENT SUBCONTRACT**

This Contract is entered into by SRC and SELLER in support of a U.S. Government contract.

As used in the clauses referenced below and otherwise in this Contract:

1. "Commercial Item" means a commercial product or commercial service as defined in FAR 2.101.
2. "Prime Contract" means the contract between SRC and the U.S. Government or between SRCtec Inc. and its higher-tier customer in support of a contract with the U.S. Government.

**C. AMENDMENTS REQUIRED BY PRIME CONTRACT**

SELLER shall, at the request of SRC, accept amendments to this Contract to incorporate additional provisions herein or to change provisions hereof, as SRC may reasonably deem necessary in order to comply with the provisions of the applicable Prime Contract or with the provisions of amendments to such Prime Contract. If any such amendment to this Contract causes an increase or decrease in the estimated cost of, or the time required for, performance of any part of the Work under this Contract, an equitable adjustment shall be made pursuant to the "Changes" clause contained in SRC's TC 3.

**D. PRESERVATION OF THE GOVERNMENT'S RIGHTS**

If SRC furnishes designs, drawings, special tooling, equipment, engineering data or other technical or proprietary information (Furnished Items) to which the U. S. Government owns or has the right to authorize the use of, nothing herein shall be construed to mean that SRC, acting on its own behalf, may modify or limit any rights the Government may have to authorize the SELLER's use of such Furnished Items in support of other U. S. Government prime contracts.
