- E FAR Flowdown Clauses
- F Certifications and Representations

SECTION I: GENERAL PROVISIONS

1. ACCEPTANCE OF CONTRACT/TERMS AND CONDITIONS

- (a) This Contract integrates, merges, and supersedes any prior offers, negotiations, and agreements concerning the subject matter hereof and constitutes the entire agreement between the parties.
- (b) SELLER's acknowledgment, acceptance of payment, or commencement of performance, shall constitute SELLER's unqualified acceptance of this Contract.
- (c) **ADDITIONAL OR DIFFERING TERMS OR CONDITIONS PROPOSED BY SELLER OR INCLUDED IN SELLER'S ACKNOWLEDGMENT HEREOF ARE HEREBY OBJECTED TO BY SRC AND HAVE NO EFFECT UNLESS EXPRESSLY ACCEPTED IN WRITING BY SRC**

2. ALLOWABLE COST AND PAYMENT

- (a) **Invoicing.** In addition to and without limiting SRC TC4 Clause 21, "INVOICES", the following provisions shall apply: SRC shall make payments to SELLER when requested as work progresses, but not more often than once every 2 weeks, in amounts determined to be allowable by SRC in accordance with the terms of this Contract and Subpart 31.2 of the FAR and agency supplements as appropriate, in effect on the date of this Contract. If this Contract is with an educational institution, FAR Subpart 31.3 shall apply; and if with a non-profit organization other than an educational institution, FAR Subpart 31.7 shall apply. SELLER shall submit to the SRC Procurement Representative, in such form and reasonable detail as the representative may require, a proper invoice or voucher supported by a statement of the claimed allowable cost for performing this Contract.

(b) Reimbursing Costs

- (1) For the purpose of reimbursing allowable costs (except as provided in subparagraph 2(b)(2) below, with respect to pension, deferred profit sharing, and employee stock ownership plan contributions), the term "costs" includes only:
 - (a) Those recorded costs that, at the time of the request for reimbursement, SELLER has paid by cash, check, electronic funds transfer, or other form of actual payment for items or services purchased directly for this Contract.
 - (b) When SELLER is not delinquent in paying costs of contract performance in the ordinary course of business, costs incurred, but not necessarily paid, for:
 - (i) Materials issued from SELLER's inventory and placed in the production process for use on this Contract;
 - (ii) Direct labor;
 - (iii) Direct travel;
 - (iv) Other direct in-house costs; and
 - (v) Properly allocable and allowable indirect costs, as shown in the records maintained by SELLER for purposes of obtaining reimbursement under Government contracts.
 - (c) The amount of progress payments that have been paid to SELLER's subcontractors under similar cost standards.
- (2) SELLER contributions to any pension, profit sharing, or employee stock ownership plan funds that are paid quarterly or more often may be included in indirect costs for payment purposes; provided, that SELLER pays the contribution to the fund within thirty (30) calendar days after the close of the

period covered. Payments made 30 days or more after the close of a period shall not be included until SELLER actually makes the payment. Accrued costs for such contributions that are paid less often than quarterly shall be excluded from indirect costs for payment purposes until SELLER actually makes the payment.

- (3) Notwithstanding the audit and adjustment of invoices or vouchers under subparagraph 2(g) below, allowable indirect costs under this Contract shall be obtained by applying indirect cost rates established in accordance with subparagraph 2(d) below.
 - (4) Except as otherwise expressly provided to the contrary in these General Provisions or in the schedule of this Contract, any statements in specifications or other documents incorporated in this Contract by reference designating performance of services or furnishing of materials at SELLER's expense or at no cost to SRC shall be disregarded for purposes of cost reimbursement under this paragraph 2.
- (c) **Small Business Concerns.** A small business concern may be paid as often as every 2 weeks and may invoice and be paid for recorded costs for items or services purchased directly for this Contract, even though the concern has not yet paid for those items or services.
- (d) **Final Indirect Cost Rates.** SRC shall reimburse SELLER on the basis of final annual indirect cost rates and the appropriate bases established by SELLER and the Government in effect for the period covered by the indirect cost rate proposal. Rate adjustment invoices shall be submitted to SRC within 120 days from receipt of SELLER's final audit report. Such rates and bases shall not change any monetary ceiling, contract obligation, or specific cost allowance or disallowance provided for in this Contract. The rates and bases shall be deemed incorporated into this Contract upon execution.
- (e) **Billing Rates.** There shall be included as allowable indirect costs such overhead rates as may be established by SELLER and the cognizant Government Agency in accordance with the principles of the Federal Acquisition Regulation and applicable FAR Supplement. Pending establishment of final overhead rates for any period, SELLER shall be reimbursed at billing rates approved by the pertinent Government Agency, which billing rates may be revised from time to time subject to such approval and subject to appropriate adjustment when the final rates for that period are established.
- (f) **Quick Closeout Procedures.** When SELLER and SRC agree, the quick closeout procedures of Subpart 42.7 of the FAR may be used.
- (g) **Audit.** At any time or times before final payment, SRC or the Government may audit SELLER's invoices or vouchers and statements of cost. Any payment may be (1) reduced by amounts found by SRC or the Government not to constitute allowable costs or (2) adjusted for prior overpayments or underpayments.
- (h) **Final Payment**
- (1) SELLER shall submit a completion invoice or voucher, designated as such, promptly upon completion of the Work, but no later than one year (or longer, as SRC may approve in writing) from the completion date. Upon approval of that invoice or voucher, and upon SELLER's compliance with all terms of this Contract, SRC shall promptly pay any balance of allowable costs and that part of the fee (if any) not previously paid.
 - (2) SELLER shall pay to SRC any refunds, rebates, credits, or other amounts (including interest, if any) accruing to or received by SELLER or any assignee under this Contract, to the extent that those amounts are properly allocable to costs for which SELLER has been reimbursed by SRC. Reasonable expenses incurred by SELLER for securing refunds, rebates,

credits, or other amounts shall be allowable costs if approved by SRC. Before final payment under this Contract, SELLER and each assignee whose assignment is in effect at the time of final payment shall execute and deliver:

- (a) An assignment to SRC, in form and substance satisfactory to SRC, of refunds, rebates, credits, or other amounts (including interest, if any) properly allocable to costs for which SELLER has been reimbursed by SRC under this Contract; and
 - (b) A release discharging SRC, its directors, officers, agents, and employees from all liabilities, obligations, and claims arising from or related to this Contract, except for specified claims stated in exact amounts, or in estimated amounts when the exact amounts are not known.
- (i) **Subcontracts.** No subcontract placed under this Contract shall provide for payment on a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement type subcontracts shall not exceed the fee limitations in paragraph 15.404-4(c)(4)(i) of the Federal Acquisition Regulation (FAR).

3. APPLICABLE LAWS

- (a) This Contract and all matters arising from or related to it shall be governed by and construed in accordance with the law of the State from which this Contract was issued, excluding its choice of law rules, except that any provision in this Contract that is (i) incorporated in full text or by reference from the Federal Acquisition Regulations (FAR); or (ii) incorporated in full text or by reference from any agency regulation that implements or supplements the FAR; or (iii) that is substantially based on any such agency regulation or FAR provision, shall be construed and interpreted according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of contract appeals, and quasi-judicial agencies of the federal Government.
- (b) (i) SELLER shall comply with all applicable laws, orders, rules, regulations, and ordinances. SELLER shall procure all licenses and permits, and pay all fees and other required charges necessary to conduct its business, all at SELLER's expense.
- (ii) SELLER shall be responsible for compliance with all requirements and obligations relating to its employees under all applicable local, state, and federal statutes, ordinances, rules, and obligations including, but not limited to, employer's obligations under laws relating to: income tax withholding and reporting; civil rights; equal employment opportunity; discrimination on the basis of age, sex, gender identity, race, color, religion, disability, national origin, or veteran status; overtime; minimum wage; pay transparency; social security contribution and withholding; unemployment insurance; employer's liability insurance; worker's compensation; veteran's rights; and all other employment, labor, or benefits related laws.
- (iii) If: (i) SRC's contract cost or fee is reduced; (ii) SRC's costs are determined to be unallowable; (iii) any fines, penalties or interest are assessed on SRC; or (iv) SRC incurs any other costs or damages as a result of any violation of applicable laws, orders, rules, regulations, or ordinances by SELLER, its directors, officers, employees, agents, suppliers, or subcontractors at any tier, SRC may proceed as provided for in subparagraph 3(b)(v) below.
- (iv) Where submission of cost or pricing data is required or requested at any time prior to or during performance of this Contract, if SELLER or its lower-tier subcontractors: (i) submit and/or certify cost or pricing data that are defective; (ii) with notice of applicable cutoff dates and upon SRC's request to provide cost or pricing data, submit cost or pricing data, whether certified or not certified at the time of

submission, as a prospective subcontractor, and any such data are defective as of the applicable cutoff date on SRC's Certificate of Current Cost or Pricing Data; (iii) claim an exception to a requirement to submit cost or pricing data and such exception is invalid; or (iv) furnish data of any description that is inaccurate; or (v) if the U.S. Government alleges any of the foregoing, and, as a result, (1) SRC's contract price or fee is reduced; (2) SRC's costs are determined to be unallowable; (3) any fines, penalties or interest are assessed on SRC; or (4) SRC incurs any other costs or damages; SRC may proceed as provided for in subparagraph 3(b)(v) below.

(v) Upon the occurrence of any of the circumstances identified in subparagraph 3(b)(iii) and 3(b)(iv) above, SRC may make a reduction of corresponding amounts (in whole or in part) in the price, or in the costs and fee, of this Contract or any other contract with SELLER, and/or may demand payment (in whole or in part) of the corresponding amounts. SELLER shall promptly pay amounts so demanded.

(vi) Indemnification for Defective Pricing – If Buyer is subject to any liability as a result of a failure of the Seller to comply with the requirements of FAR 52.215-12 and 52.215-13, Seller agrees to indemnify and hold harmless Buyer, to the full extent of any amount claimed by the Government, from and against any loss, damage, liability or expense (including reasonable attorneys' fees) resulting from such failure. Furthermore, Seller agrees that in any action brought hereunder, the Federal Statute of Limitations shall apply.

(c) SELLER represents that each chemical substance constituting or contained in Work sold or otherwise transferred to SRC hereunder is on the list of chemical substances compiled and published by the Administrator of the Environmental Protection Agency pursuant to the Toxic Substances Control Act (15 U.S.C. Sec. 2601 et seq.) as amended.

(d) SELLER shall provide to SRC with each delivery any Material Safety Data Sheet (29 C.F.R. 1910.1200) applicable to the Work in conformance with and containing such information as required by the Occupational Safety and Health Act of 1970 and regulations promulgated thereunder, or its state approved counterpart.

(e) **The Buyer and Seller shall abide by the requirements of 41 CFR 60-741.5(a) and 41 CFR 60-300.5(a). These regulations prohibit discrimination against qualified protected veterans and qualified individuals on the basis of disability, and require affirmative action by covered prime contractors and subcontractors to employ and advance in employment for both qualified protected veterans and qualified individuals with disabilities. The Equal Employment Opportunity and Affirmative Action Clause, as set forth by the Department of Labor, 41 C.F.R. Sections 60-1.4(a) is hereby incorporated by reference herein insofar as it is required by such regulations and unless exempted by applicable statutes, rules, regulations or orders. You agree, unless exempted, to incorporate by reference and abide by Executive Order 11246.**

4. ASSIGNMENT

Any assignment of SELLER's contract rights or delegation of duties shall be void, unless prior written consent is given by SRC. However, SELLER may assign rights to be paid amounts due, or to become due, to a financing institution if SRC is promptly furnished a signed copy of such assignment reasonably in advance of the due date for payment of any such amounts. Amounts assigned to an assignee shall be subject to setoffs or recoupment for any present or future claims of SRC against SELLER. SRC shall have the right to make settlements and/or adjustments in the estimated cost and fee without notice to the assignee.

5. COUNTERFEIT PARTS PREVENTION

(a) Definitions for purposes of this Contract:

(i) "Counterfeit Parts" shall mean a part, component, module, or assembly whose origin, material, source of manufacture, performance, or characteristics are misrepresented. This term includes, but is not limited to, (A) parts that have been (re)marked to disguise them or falsely represent the identity of the manufacturer, (B) defective parts and/or surplus material scrapped by the original manufacturer, and (C) previously used parts pulled or reclaimed and provided as "new".

(ii) As used herein, "authentic" shall mean (A) genuine; (B) from the legitimate source claimed or implied by the marking and design of the product offered; and (C) manufactured by, or at the behest and to the standards of, the manufacturer that has lawfully applied its name and trademark for that model/version of the material.

(iii) "Independent Distributor" shall mean a person, business, or firm that is neither authorized nor franchised by an Original Component Manufacturer ("OCM") to sell or distribute the OCM's products but which purports to sell, broker, and/or distribute such OCM products. Independent Distributors are also referred to as unfranchised distributors, unauthorized distributors, and/or brokers.

(b) SELLER represents and warrants that only new and authentic materials are used in products required to be delivered to SRC and that the Work delivered contains no Counterfeit Parts. No other material, part, or component other than a new and authentic part shall be used unless approved in advance in writing by the SRC Procurement Representative. To further mitigate the possibility of the inadvertent use of Counterfeit Parts, SELLER shall only purchase authentic parts/components directly from the Original Equipment Manufacturers ("OEMs")/OCMs or through the OEM's/OCM's authorized distribution chain. SELLER must make available to SRC, at SRC's request, OEM/OCM documentation that authenticates traceability of the components to that applicable OEM/OCM. Purchase of parts/components from Independent Distributors is not authorized unless first approved in writing by SRC Procurement Representative. SELLER must present complete and compelling support for its request and include in its request all actions to ensure the parts/components thus procured are legitimate parts. SRC's approval of SELLER request(s) does not relieve SELLER's responsibility to comply with all Contract requirements, including the representations and warranties in this paragraph. Seller shall immediately notify Buyer if Seller cannot provide electronic parts, components, and/or assemblies traceable to the original component manufacturer (OCM)/the original equipment manufacturer (OEM). Upon receipt of such notification, Buyer reserves the right to terminate the purchase order at no cost to Buyer or provide specific material validation test and inspection protocol requirements. In the event that Seller delivers items that are determined not to be authentic, Seller shall take corrective action as required by the terms of this purchase order. Seller's obligation to substantiate authenticity shall survive acceptance of and payment for supplies delivered under this purchase order.

(c) SELLER shall maintain a documented system (policy, procedure, or other documented approach) that provides for prior notification to the SRC Procurement Representative and his/her written approval before parts/components are procured from sources other than OEMs/OCMs or through the OEM's/OCM's authorized distribution chain. SELLER shall provide copies of such documentation for its system for SRC's inspection upon SRC's request.

(d) If the SELLER is providing electronic components/devices only, the following certification applies:

Certification of Origin of Product:

Acceptance of this Contract constitutes confirmation by the SELLER that it is either the Original Equipment Manufacturer (OEM), Original Component Manufacturer (OCM), or a franchised

or authorized distributor of the OEM/OCM for the product herein procured. SELLER further warrants that OEM/OCM acquisition documentation that authenticates traceability of the components to that applicable OEM/OCM is available upon request. If the SELLER is not the OEM/OCM or a franchised or authorized distributor, the SELLER confirms by acceptance of this Contract that each product supplied to SRC has been procured from the OEM/OCM or a franchised or authorized distributor of the OEM/OCM. The supplier further warrants that OEM/OCM acquisition traceability documentation is accurate and available to SRC upon SRC's request.

- (e) SELLER shall flow the requirements of this paragraph 5 to its subcontractors and suppliers at any tier for the performance of this Contract.

6. CONTRACT DIRECTION

- (a) Only the SRC Procurement Representative has authority to make changes in, to amend, or to modify this Contract. Such changes, amendments or modifications must be in writing.
- (b) SRC program, operations, engineering, technical, or other personnel may from time to time render assistance, give technical advice, discuss, or exchange information with SELLER's personnel concerning the Work hereunder. Such actions shall not be deemed to be a change under the "Changes" clause of this Contract and shall not be the basis for equitable adjustment. If SELLER believes the foregoing creates an actual or constructive change, SELLER shall notify the SRC Procurement Representative and shall not accept such direction or perform said action unless authorized under subparagraph 6(a).
- (c) Except as otherwise provided herein, all notices to be furnished by SELLER shall be sent to the SRC Procurement Representative.

7. CUSTOMER COMMUNICATION

SRC shall be solely responsible for all liaison and coordination with the Customer, any higher tier contractor(s), or the U.S. Government, as it affects the applicable Prime Contract, this Contract, and any related contract. Except as required by law, SELLER shall not communicate with the Customer, any higher tier contractor(s) or the U. S. Government, with respect to the applicable Prime Contract, this Contract, and/or any related contract without prior approval of the SRC Procurement Representative. SELLER shall promptly notify SRC of any communications initiated by the Customer, any higher tier contractor(s), or the U. S. - (c) TO THE EXTENT PERMITTED BY APPLICABLE LAWS, SRC AND SELLER EACH WAIVE ANY RIGHTS WHICH EITHER MAY HAVE TO TRIAL BEFORE A JURY OF ANY DISPUTE ARISING FROM, OR RELATED TO, THIS CONTRACT. SELLER AND SRC FURTHER STIPULATE AND CONSENT THAT ANY SUCH LITIGATION BEFORE A COURT OF COMPETENT JURISDICTION SHALL BE NON-JURY.

10. ELECTRONIC CONTRACTING

SRC and SELLER agree that if this Contract, or any order, ancillary agreement, or correspondence is transmitted electronically neither SRC nor SELLER shall contest the validity thereof, on the basis that this Contract, or the order, acknowledgement, ancillary agreement, or correspondence exists only in electronic form, an electronic record was used in its creation or formation, or it contains only an Electronic Signature or it was generated automatically, without human intervention by a system intended for the purposes of generating same.

The Federal Acquisition Regulation (FAR) clauses referenced below together with all clauses included in the Prime Contract are incorporated herein by reference, with the same force and effect as if they were given in full text, and are applicable during the performance of this Contract. When a FAR clause uses a word or term that is defined in the FAR, the word or term shall have the same meaning as in the definition in FAR 2.101 in effect on the date of this Contract unless (i) a different definition is expressly set forth in this Contract; or (ii) the part, subpart, or section of the FAR where the clause is prescribed provides a different meaning; or (iii) the word or term is defined in FAR Part 31, for use in the cost principles and procedures. If the date or substance of any of the clauses listed below is different than the date or substance of the clause actually incorporated in the Prime Contract referenced by number herein, the date or substance of the clause incorporated by said Prime Contract shall apply instead. As applicable to this Contract, "Contractor" means "SELLER", "Contracting Officer" and "Government" means "SRC". The Contract Disputes Act of 1978, as amended, shall have no application to this Contract, and nothing in these General Provisions, except as may be expressly set forth by the Government Contracting Officer's express consent, grants Seller any direct right of action against the United States Government under the prime contract. D. PRESERVATION OF THE GOVERNMENT'S RIGHTS

If SRC furnishes designs, drawings, special tooling, equipment, engineering data or other technical or proprietary information (Furnished Items) to which the U. S. Government owns or has the right to authorize the use of, nothing herein shall be construed to mean that SRC, acting on its own behalf, may modify or limit any rights the Government may have to authorize the SELLER's use of such Furnished Items in support of other U. S. Government prime contracts.
